

Dear Brothers and Sisters in Christ,

***“I will establish my covenant as an everlasting covenant between me and you and your descendants after you for the generations to come, to be your God and the God of your descendants after you.”***  
***- Genesis 17:7 | NIV***

Together we are Lower Providence Presbyterian Church. More pointedly, each of us are indispensable members of our church family. We are a community called to serve God and do His work in deeds and prayer. Much like 2020, 2021 has been a challenging time for many, however, it has also afforded us time for reflection and discernment. One fruit of this period of discernment for LPPC’s has been our updated Mission & Vision:

**Lower Providence Presbyterian’s Mission:** *We are an intergenerational church seeking Jesus together and shining His light from this hill.*

**Lower Providence Presbyterian’s Vision:** *We aspire to be...*

- **Welcoming** – *We are committed to helping you feel at home, no matter your age, stage of life or wherever you are on your faith journey.*
- **Growing** - *You are invited to grow in your walk with God and see that following Jesus can impact all areas of your life. We provide faith building experiences for every age, while also bringing people of different ages together to grow spiritually.*
- **Serving** – *Following Jesus means being “His hands and feet.” Join us as we bridge the generations, working side by side to meet the needs of our community and the world around us.*

Because of your ongoing generosity, we are financially well suited to deliver on our intergenerational Vision & Mission. As called out in the Scripture above, God’s covenant transcends generations much like the fruits of your generosity in LPPC’s missional activities. The Annual Stewardship Campaign is what enables us to move *Forward Together*. By volunteering with a willing heart and supporting LPPC financially, we can return to the Lord a portion of the many good things He gives us. Every hour volunteered or dollar offered are impactful.

We have enclosed with this letter the 2022 pledge cards. Dedication Sunday will be October 24, however, you may mail your pledge card to Wendy Todd or send a secure e-mail to Wendy at [wtodd@lppcmin.org](mailto:wtodd@lppcmin.org) at your earliest convenience. Please remember that all financial pledges are strictly confidential, and you may change or update them at any time.

I feel privileged to be a member of our intergenerational congregation. Please pray with me for the success of our newly articulated Mission and on-going ministries. Together we can move *Forward Together!*

Appreciatively,  
T.J. Wudarski  
LPPC Stewardship Committee
